The Turning Point Leadership Development
National Excellence Collaborative

Vision: Collaborative leadership is used to its fullest potential to achieve policy and systems change that maximizes the public's health.

Mission: Increase collaborative leadership capacity across sectors and at all levels.

Other Turning Point National Excellence Collaboratives:
- Modernize public health statutes
- Create accountable systems to measure performance
- Utilize information technology
- Invest in social marketing

What is Collaborative Leadership?
- The processes, activities, and relationships in which a group and its members engage in collaboration.
- Collaboration is defined as "exchanging information and sharing or pooling resources for mutual benefit to achieve a common purpose."
Slide 3

What is a Collaborative Leader?

- Someone who safeguards and promotes the collaborative process.

Why is Collaborative Leadership Important?

- Most public health problems are complex, interdependent, and messy.
- These type of problems require a systems approach with diverse input and multiple perspectives.
- Many sectors need to “own” the solution for it to be successfully implemented.

Six Practices of Collaborative Leadership
Six Practices of Collaborative Leadership

- Identified by the Turning Point Leadership Development National Excellence Collaborative
- Research included:
  - Literature reviews
  - Individual interviews
  - Focus groups
  - Expert panel debates
  - Attendance at leadership development training programs
Creating Clarity

Definition - Being clear about the goals, direction, and envisioned future of a community for a particular issue.

Outcome - Committing to a cause that transcends the self; recognizing ethical or moral standards that provide guidance.

How - Integrating personal vision into a shared vision by finding common ground.

Means - Mobilizing people through a shared vision and positive action and sustaining the vision in difficult times.
Locus of Vision

**Traditional Leadership:**
- Solitary, charismatic leader provides inspiring vision
- Persuades others to align in support of vision
- Motivates others to achieve the vision

**Collaborative Leadership:**
Shared vision leads to mutual understanding and commitment.
Collaborative leaders:
- Provide inspiration
- Provide means for creating a shared vision
- Help stakeholders set the direction and move in that direction

What is a Stakeholder?
- Any person, organization or entity that has a “stake” (vested interest) in determining the future of an issue or who is affected by the issue.
Working Agreements

- Decision Making
- Disagreement/Conflict
- Power/Influence
- Interaction/Support
- Communications
- Problem Solving
- Time/Attendance
- Expectations About Productivity

Shared Visioning Process

1. Develop personal vision of project.
2. Share visions in triads, refine and list common themes.
3. Record common values/themes among visions and post.
4. Group common themes, name groupings, check for alignment.
5. Write vision statement.

Adapted from Chrislip, Collaborative Leadership Fieldbook, p. 109-110.
What Visions Are Not

- A mission statement: "Why do we exist now?"

- A strategic plan: "How do we plan to get there?"

- A set of objectives: "We will accomplish X by Y time to Z% target audience."

Creating Clarity Framework

**Current Reality**
- Environmental assessment

**Mobilization**
- Identify key issues
- Develop Action Teams
- Develop Action Plans
- Implement Plans
- Evaluate

**Desired Future**
- Shared vision
- Common values
Methods for Change

- Exposure to different ideas
- Exposure to different cultures
- Experience/Practice
- Self reflection (e.g., logs, journals)
- Mentoring/Coaching
  - 360 Assessment, shadowing
- Peer support
